Uplifting the Human Spirit

THE DREAMWEEK SUMMIT

EXCHANGING IDEAS. INSPIRING DISCUSSION.
IGNITING CHANGE.

Each annual DreamWeek Summit comprises a series of events designed to foster the free exchange of ideas on universal issues affecting the human race. Events take a variety of forms, from symposiums, panel discussions and debates to film screenings, concerts and art exhibits.

Since its inception, DreamWeek has gained unprecedented momentum. In just six years, the summit has included over 100,000 attendees to over 700 events, hosted by more than 230 hosting partners, throughout the San Antonio area. DreamWeek is concurrent with the City's annual MLK Commemorative March, which has grown to become one of the largest in the country since the first march in 1987.

ABOUT DREAMVOICE, LLC

In 2011, DreamVoice, LLC was established as an organization dedicated to realizing a collective aspiration, and in 2013 the first DreamWeek summit was presented with 20 partners and 35 events. DreamVoice supports organizations that exist to better the human condition through the promotion of media assets and resource contributions. Funding for DreamWeek is solicited by DreamVoice through sponsorships, donations and sales of branded merchandise.
