SCHEDULE OF EVENTS

# DREAMWEEK SUMMIT 2021

**EXCHANGING IDEAS.  
INSPIRING DISCUSSION.  
IGNITING CHANGE.**

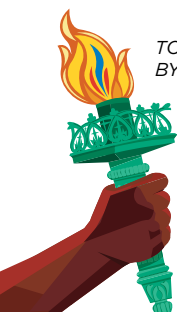

Each annual DreamWeek Summit comprises a series of events designed to celebrate our humanity by creating environments for civil and civic engagement while embracing ideas & dreams for the common good. Events take a variety of forms, from symposiums, panel discussions and debates to film screenings, concerts and art exhibits. Due to the COVID-19 Pandemic, the 2021 Summit has been scaled down with most events taking place virtually. Non-virtual events adhere to community safety protocol with masking, and social distancing.

## **ABOUT DREAMVOICE, LLC**

In 2011, DreamVoice, LLC was established as an organization dedicated to realizing a collective aspiration, and in 2013 the first DreamWeek summit was presented with 20 partners and 35 events.

*For a full listing of events and more information, please visit [dreamweek.org](https://dreamweek.org). Follow us on our social networks to stay up-to-date on all news and updates.*

# FREEDOM, CIVIL RIGHTS AND PROTEST IN JAZZ

:: CELEBRATING MARTIN LUTHER KING JR.'S LIFE AND LEGACY.

This week, we honor Dr. King with recordings in jazz and their critical role in the Civil Rights movement. Protest works from Billie Holiday, Charles Mingus, Nina Simone, Duke Ellington, and John Coltrane represent some of the early examples and set the tone for emerging artists in jazz to follow through with the message of hope and freedom in their music.
