CIVIC AND CIVIL ENGAGEMENT

Planted in a city that thrives in diversity, DreamWeek aims to bring people, their unique ideas and their myriad of voices to the forefront of a city-wide summit. Ideas become most powerful when they are advanced through the interaction of individuals and communities, and propelled towards a greater awareness of the issues that touch us all.

Inspired by Dr. Martin Luther King Jr. and his legacy of civil rights reform, the DreamWeek mission is to lay the foundations of tolerance, equality, and diversity to create a platform where people across cultures and communities can discuss and exchange ideas, fostering enlightenment for the greater human experience.

THE DREAMWEEK SUMMIT

**EXCHANGING IDEAS.
INSPIRING DISCUSSION.
IGNITING CHANGE.**

Each annual DreamWeek Summit comprises a series of events designed with a singular purpose in mind: to foster the free exchange of ideas on universal issues affecting the human race. The aim is to invite all to participate in an open forum where real-world issues are discussed, with the understanding that the truest voices will always prevail. Events take a variety of forms, from symposiums, panel discussions and debates to film screenings, concerts and art exhibits.

Throughout the summit, participants honor the past, take stock of the present, and present a vision for the future. Since its inception, DreamWeek has gained unprecedented momentum. Since 2013, the summit has grown to include more than 100 partners hosting over 150 events throughout the San Antonio area annually and attracting a global audience of civic-minded individuals. DreamWeek is concurrent with the City's annual MLK Commemorative March, which has grown to become one of the largest in the country since the first march in 1987.

San Antonio celebrates its 300th anniversary in 2018. The San Antonio Tricentennial Celebration is a once-in-a-lifetime experience that is being commemorated with a year-long calendar of events, activities and innovative initiatives that will carry San Antonio into the next 300 years.

WHY SAN ANTONIO?

As the seventh largest city in the U.S. and growing rapidly, San Antonio welcomes over 30 million tourists annually and offers unique attractions such as the River Walk and the Tower of the Americas. In 2015, the Alamo and San Antonio Missions National Historic Park were officially recognized as a UNESCO World Heritage Site.

2018 marked a special year for the city. It denotes the 300th anniversary since the establishment of its first permanent settlement. Hailed as the San Antonio Tricentennial Celebration, activities take place throughout the year to commemorate the city's traditions and showcase its various facets of history, art, and innovation.

300 SAN ANTONIO

The Alamo City is also home to an often unconventional, and ever-growing art scene, a downtown replete with niche restaurants and boutiques, and annual city-wide festivals that celebrate San Antonio and its storied cultures. The city proudly hosts one of the largest MLK Day marches in the nation, and has drawn more than 300,000 participants.

San Antonio's broad cultural diversity is rooted in its rich Spanish and Latin American heritage. The city's unique history has laid a foundation for people of all cultural and ethnic backgrounds to coexist and thrive as one community. San Antonio is one of a handful of major U.S. cities which classifies as a majority-minority city, meaning minority demographic groups comprise more than half of the city's total population.

DREAMVOICE, LLC

DreamWeek is a modern-day expression of the MLK vision: to lay the foundations of tolerance, equality, and diversity by creating dialogue across cultures and communities. In a city known for its innate ability to confront conflict with resolve and civility – and, perhaps not coincidentally, the home of the largest MLK March in the nation – a small group of dedicated individuals started to hold meetings in 2010 with a common quest to advance and grow that vision as an annual summit of events.

In 2011, DreamVoice, LLC was established, by Shokare Nakpodia, as an organization dedicated to realizing this collective aspiration, and in 2013 the first DreamWeek summit was presented with 20 partners and 35 events.

DreamVoice supports organizations that exist to better the human condition through the promotion of media assets and resource contributions. Funding for DreamWeek is solicited by DreamVoice through sponsorships, donations and sales of branded merchandise.

The DreamVoice Team, a collection of community advocates from all walks of life, consists of dedicated writers, entrepreneurs, artists, authors and designers. The singular commitment is to promote an environment in which issues facing our global community are addressed in a civic and civil manner, while empowering those who seek the understanding and education required for peaceful coexistence.

CITY OF SAN ANTONIO MLK JR. COMMISSION

The mission of the San Antonio Martin Luther King, Jr. Commission is to promote human equality, the principles of nonviolence, and the understanding and acceptance of racial harmony, understanding, respect, and goodwill among citizens, all as a way of building community among all citizens of San Antonio and across the United States.

Established in 1968, and city sponsored in 1987, the City of San Antonio Dr. Martin Luther King, Jr. Commission has been one of the city's leading volunteer organizations for over thirty years.

While the MLK Commission is not affiliated with DreamVoice LLC, their outreach has spanned a wide variety of educational, inspirational, and celebratory events during DreamWeek.

These scholarships help to fund a portion or all of the college tuition of several deserving students, regardless of race or ethnicity, thanks in support of its many partners. This ceremony is held every year around MLK weekend.
